

## **“ A clear Jazz/Pop voice that leaves no one untouched “**

For those who like to listen to Norah Jones, Shawn Colvin, Diana Krall, Melody Gardot, ....

Carlah stands for Carla Hoogewijs, singer-songwriter/actrice.

At the age of 14 , Carlah started to perform solo , playing a personal repertoire in clubs in her neighbourhood.

At the age of 25 she went to study drama at the Conservatory of Gent. Being on stage, for many years, she made her voice heard in various ways. Along the way, she worked very intensely with all kinds of great artists (i.e. Hugo Claus, Tom Lannoye, Eddy Vereycken, Jan Leyers, Bart Peeters, Jan Hautekiet, Dick Vanderharst, Erik Devolder, Ineke Nijssen, Patrick Riguelle, Kathleen Vandenhoudt, Jean Pierre Onraedt,.....)

In the mean time she continued writing and performing her own songs.

Thierry Plas, the producer, known for many projects and bands (i.e. Vaya Con Dios, Machiavel, B.J.Scott, Pierre Rapsat,....) created a very personal soundscape around them.
